

In-flight Experience

Seat Selection

Update 9/18: As of today, passengers will no longer need to select their seats. Seats will be first-come, first-served on any domestic or international flight. Seats are subject to availability by boarding call and priority boarding.

Seat Policies

Seats recline during the cruise phase of the flight. Tray tables and window shades must be in their upright and open positions, respectively, during takeoff and landing.

In-flight Entertainment

Enjoy a wide selection of movies, TV shows, and music on most of our flights. Entertainment options may vary depending on the aircraft and route. On select flights, we offer noise-canceling headphones for purchase to enhance your entertainment experience.

Wi-Fi and Power

Wi-Fi is available on most Devbridge Airlines flights, allowing passengers to stay connected at 30,000 feet. Power outlets are available in select seats, so you can keep your devices charged throughout your journey.

Meal Options

We offer a variety of meal options to cater to different dietary requirements, including vegetarian, vegan, gluten-free, and kosher meals. Please request special meals at least 24 hours before your flight.

Alcohol and Duty-Free

Alcoholic beverages are available for purchase on board. On international flights, we offer a selection of duty-free items for sale.
